FIXT VALET RANGE DELIVERING MARKET LEADING VALET PRODUCTS MAKING YOUR LIFE EASIER.

We are proud to introduce a full range of chemicals to maintain and protect cars, commercial vehicles & agriculture machinery. The collection includes interior shampoos, cleaners and dressings, exterior bodywork, glass, tyres and trim. By using our esteemed range of auto care supplies you will see how it can help to reduce process time and save you both effort and money, which will enable you to clean and prepare a greater number of vehicles during the day.

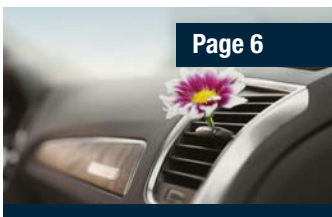

Interior Cleaners

Designed to care for all porous and non-porous interior surfaces, FIXT interior cleaners will leave your car free from dirt and grease build-up to the highest standard. They are the perfect complement when used in conjunction with the FIXT interior dressing range.

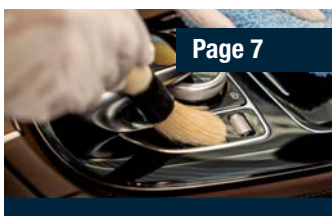

Interior Fresheners

The Odour eliminator range, not only mask smells, but it contains a raw material that breaks down the bad odour molecules both in the air and on surfaces, leaving a fresh fragrance behind. We also offer air conditioning refreshers and cleaners for those all-important finishing touches.

Interior Dressing

Two products is all you will need. Rubber and vinyl wax will coat and protect all hard surfaces including wood, plastic, vinyl etc. Then Fabric protector to coat all porous surfaces, when left to fully dry this will give exceptional protection from future staining.

Exterior Cleaners

Fixt has an easy to use and effective solution suitable for the exterior of all types of vehicles. From Pre-wash, Traffic Film Remover, Waterless and General Shampoos to our highest quality all-in-one shampoo and wax, our range has an exterior cleaning solution for your needs.

Wax & Sealant

Our wax and sealant finishing products provide various lengths of protective properties, durability and grades of gloss. Our quick wax and seal products deliver up to three months of protection, while our premium range offers up to one years protection.

Polish & Compounds

Our wax and sealant finishing products provide various lengths of protective properties, durability and grades of gloss. Our quick wax and seal products deliver up to three months of protection, while our premium range offers up to one year's protection.

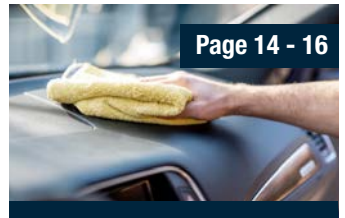

Wheel & Tyre Care

Fixt's range of specially formulated solvent or silicone based dressings give a long-lasting glossy look or our water-based emulsion gives a more natural appearance. We even have an Alloy Armour to protect against traffic film and road salts.

Cleaning Cloths & Sponges

Our professional range of cleaning products from your everyday standard 'rags-in-a-bag' to your high-quality polishing cloths. Our range carries multiple grades of microfibre cloths, sponges, chamois, polishing cloths. The different levels of products complement the FIXT range offering the perfect cleaning & finishing solution.

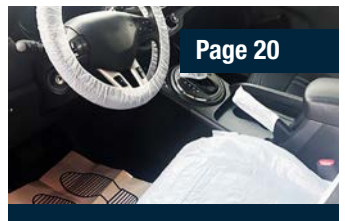

Personal Protection

Leading the way in our PPE range is our ONHAND brand, an exclusive and extensive range of hand care protection. To complement the ONHAND brand of gloves we have the Patented Fish Scale GRIPPAZ gloves. We have a full comprehensive range covering including face protection, eyewear and overalls.

Vehicle Protection

Fixt offers a comprehensive range of high-quality disposable interior car protection products that help to protect the interior of vehicles from everyday dirt & grime. Not only does the range protect against dirt & grime they also help protect against contamination & germs.

Equipment

Having the correct equipment is an essential part of being able to do the job in hand professionally & economically. We offer a number of practical solutions from measuring equipment, wheel brushes to wash brushes for car, commercial and agricultural vehicles.

INTERIOR CLEANING

Designed to care for all porous and non-porous interior surfaces, FIXT interior cleaners will leave your car free from dirt and grease build-up to the highest standard. They are the perfect complement when used in conjunction with the FIXT interior dressing range.
