

# recoTurbo

**You can now buy the comprehensive range of Recoturbo products from your local PartsPlus Centre.**

**Range and Availability:**

We have access to a vast range of Recoturbo Turbochargers for Cars and Light Commercial Vehicles to cover the UK car parc. As well as remanufactured, Recoturbo provide a range of new Aftermarket and OEM Turbochargers.

**Expertise:**

Recoturbo support PartsPlus by having a skilled workforce, with Engineers, CAD/Design Specialists and a Bosch-trained Master Technician Trainer on-site. Recoturbo strive to lead with product research and development.

**Feed pipes:**

PartsPlus also have access to Aftermarket and OEM Oil feed pipes, and the range of these is constantly expanding.

**Gaskets:**

In the majority of cases, Recoturbo Turbochargers come with a free gasket set. Where they do not, the Sales team will be able to advise at the time of quoting/sale.

**Warranty:**

Customers who purchase Recoturbo Parts via PartsPlus will receive a 12 month warranty.

**Contact your local PartsPlus Centre today to discuss Recoturbo Parts.**
